

Dashboard> New Campaign > button is not working

The screenshot shows the Adiology dashboard interface. On the left is a sidebar with navigation links: 'Campaigns', 'Keywords', 'Teams', 'Settings', 'Support & Help', 'Feedback', and 'Billing'. The main area has a heading 'Welcome back, neo! (BETA)' and a sub-section 'Here's what's happening with your campaigns today.' It displays two dark-colored boxes with campaign statistics:

- campaign_stats.sh:
 - total_campaigns: 0
 - keywords_generated: 0
 - ads_created: 0
 - extensions_added: 0
 - csv_exports: 0
- status_info.sh:
 - api_status: ONLINE
 - google_ads_api: CONNECTED
 - keyword_planner: READY
 - subscription: FREE
 - last_activity: Never

Below these boxes is a section titled 'My Resources' with three buttons: 'Total' (red), 'Saved' (blue), and 'Active' (orange).

A purple button labeled 'New Campaign' is located in the top right corner of the main dashboard area.

Dashboard>Quick Actions>Web Template >button is not working

The screenshot shows the 'Quick Actions' section of the dashboard. It features six buttons with icons and labels: '1 Click Campaign' (purple), 'Campaign Builder' (pink), 'Web Templates' (blue), 'Campaign Presets' (green), 'Keywords Planner' (orange), and 'Saved Campaigns' (red). The 'Web Templates' button is highlighted with a red arrow pointing to it.

Teams>Invite Team member> Send Invitation>there is error

The screenshot shows a modal dialog titled 'Invite Team Member' with a sub-section 'Send an invitation to add a new member to your team.' It contains fields for 'Email Address' (with the value 'colleague@company.com') and 'Role' (set to 'Member'). At the bottom are 'Cancel' and 'Send Invitation' buttons. A red arrow points to the 'Send Invitation' button.

Settings>Color Theme> change is not working, it was working before

🎨 Color Theme

Choose your preferred color scheme for the dashboard

Purple Elegance
Classic purple and indigo combination - Professional and modern

Ocean Blue
Calming blue and cyan tones - Fresh and trustworthy

Forest Green
Natural green and emerald shades - Growth and harmony

Billing>Upgrade Plan > showing error

The screenshot shows the 'Billing' section of a software interface. At the top right, there is a red error message box with the text "Payment Error cyclic object value". Below the header, there are two tabs: "Settings" and "Billing", with "Billing" being the active tab. A green button labeled "Active" is visible. In the main area, there's a "Current Plan" section stating "You are currently on the Free Plan". It includes fields for "Next Billing Date" (N/A) and "Amount Due" (\$0.00). A "Plan Features" section lists several checked items: Unlimited Campaigns, Advanced Keyword Planner, CSV Export, Priority Support, and Team Collaboration. At the bottom are buttons for "Manage Subscription" and "Upgrade Plan".

Billing> new test card added and click on “Update Payment Method” showing error>

The screenshot shows the 'Billing' section with a modal dialog titled "Update Payment Method". The dialog contains instructions: "Update your payment method to continue your subscription without interruption." It shows a "Payment Method 1" card with a VISA logo, ending in 1111, and expires 10/32. A note says: "Clicking \"Update Payment Method\" will redirect you to our secure payment processor to add or update your payment information." At the bottom are "Cancel" and "Update Payment Method" buttons. In the background, the "Payment Method" section shows a single card listed as "Visa ending i... Expires 10/32" with a "Default" button. Below the modal, a red error message box displays "Payment Portal Error" and "No billing account found".
