The 'Current Plan' section indicates the user is on the 'Free Plan' (Active status). It shows 'Next Billing Date' as 'N/A' and 'Amount Due' as '\$0.00'. The 'Plan Features' section lists several checked items: 'Unlimited Campaigns', 'Advanced Keyword Planner', 'CSV Export', 'Priority Support', and 'Team Collaboration'. Below these are two buttons: 'Manage Subscription' (purple) and 'Upgrade Plan' (white). The 'Payment Method' section shows a credit card icon and the message 'No payment method added yet'. It includes a button to 'Add Payment Card'.
